

PRIMEURS 2022

# Château De Rochemorin

APPELLATION : PESSAC-LÉOGNAN

With the heat suffered by the grapes in 2022, who could have expected a great year for white wines? And yet, this Château de Rochemorin white 2022 is a great success! Planted on terroirs that are more clayey and therefore cooler than the reds, the white Rochemorin vineyard suffered much less from the summer drought. The concentration is exceptional and the freshness remains very present. The nose is complex; the aromas of ripe Sauvignon blend perfectly with the spicy notes of the wood. The palate is very unctuous and the finish is very fresh with a nice acidity, suggesting a slow ageing in bottle.
